# INVESTOR PROTECTION MECHANISM SUCCESS STORY:

A foreign investor filed a complaint about the illegal overstatement of mandatory fees and suspension of the license

NAI prepared legal and economic analyzes, the results of which revealed violations of the current legislation and economic risks

NAI contacted the parties to the dispute and held a meeting, during which it presented the results of the legal analysis

As a result of the actions of the NAI, the subject of the complaint canceled his decision to suspend the license and revised the amount of mandatory fees

The company retained a \$60 million investment and 150 jobs

**Out of 100% of received grievances, 40% were successfully resolved.**
